

## **WORLD RELIGIONS**

**EPYMN Track Leader:** Caleb Harrelson, Engage Truth Ministries

**Ministry/Organizational Partner(s):** Engage Truth Ministries

**Track Participation:** No more than 30 (1 adult for every 8 students is required)

## **TRACK DESCRIPTION**

### **What is the Issue:**

In El Paso we have a growing number of atheists and new agers, over 1,000 Muslims, around 10,000 Mormons, around 13,000 Jehovah's Witnesses, and a small number of Buddhists and Hindus.

### **What's being done about it:**

Engage Truth Ministries is a local non-profit ministry that trains students and adults in a Biblical worldview and evangelism. This is done through creation tours, Grand Canyon trips, creation science conferences, a worldview academy, an apologetics summer camp, and various evangelism opportunities.

Engage is working to help believers all across El Paso engage with people from various world religions and worldviews boldly, clearly, and confidently.

### **What will they do during IYW?**

During the Training time, Track participants will be given a basic overview of various world religions and worldviews and how to engage with each background about the Gospel led by Engage founder Caleb Harrelson and several Engage Truth Ministries Worldview Academy students.

The Outreach time will feature opportunities to go engage with various representatives from these world religions in a dialogue setting, giving an opportunity for participants to put their Training into practice.
